Weekly Progress

Sam

- Learning to use TI CC3220S
- .CSV file data can be directly imported into Cloud entities
- Updated Cloud functions so each user now has a priority

Bowen

- Learning to use Ti 3220s & connect to internet
- Making the Raspberry Pi a gateway
- Using TCP between Micro and Pi

Problems

- SSL certification
- Connecting the TI CC3220S to internet
- Cloud datastore keeps timing out
